### 18.5 Governance:

#### i. Organizational Chart:

ii.

<p><b>Nature and extent of involvement of Faculty and students in academic affairs/improvements</b></p>	<p>Faculty conducts meetings with students for assessment and feedback on the academic programme regularly. Any improvements in lecture delivery increase in the number of teaching and lab hours, requirement of additional books or equipment, etc. are assessed and implemented after discussion with and approval of the Principal. Grievance Redressal Committee is also available for Students for any complaints.</p>
<p><b>Mechanism/Norms and Procedure for democratic/good governance</b></p>	<p>The Management and Principal have frequent meetings with the teaching and non-teaching staff of the Institute. In these meetings staff is encouraged to bring forth issues and ways to improve the overall ethos and working of the Institute.</p>
<p><b>Student Feedback mechanisms on Institutional Governance/Faculty Performance</b></p>	<p>Students throughout the year provide the feedback regarding any academic, co-curricular and personal problems faced by them. They are part of various committees alongside their faculty so that they have the opportunity to share their ideas and views. One mentor is assigned to a group of students to take care of any issues they may have and also to assist them wherever required. The Principal also has regular meetings with the students. Various committees such as the Grievance Redressal Cell, Anti Ragging, Women Grievance Cell, SC/ST Committee, etc have been incorporated for any issues students may face.</p>
<p><b>Grievance redressal mechanism for faculty, staff and students</b></p>	<p>All problem/grievances of faculty, staff and students are resolved at the Institute level through interaction with the H.O.D.s, Principal or the relevant Committees. The Management is also available in case the issue is not resolved at the Institute level. Online grievance facility is also available on the website.</p>

## **BARRIER FREE ENVIRONMENT IN RRASE CAMPUS**

RRASE College of Engineering provides barrier-free environment where people with disabilities can move about safely and freely and use the facilities within the built environment. The environment supports the independent functioning of individuals so that they can participate without assistance in everyday activities within the campus. Buildings / places / transportation systems are made barrier free.

### **RAMP**

Ramp-Rails, an inclined plane, are built in addition to staircases in the B Block. The ramps are carefully designed as per specifications to be used by the differently abled people.

## LIFT

College buildings have provision of lift for barrier free access of students, staff, visitors and differently abled people.

## DIFFERENTLY ABLED FRIENDLY RESTROOM

There are two differently abled friendly restrooms in A & B Block. These accessible restrooms carry the fixtures and fittings that are comfortable and convenient to the differently abled people. Nonslip floor, sliding door and grab bars provide easy access to the differently abled people.

## THE SAFEST NON-SLIP FLOOR IN OUR CAMPUS

Here we have some sturdy, reliable flooring options in our campus. All floor surfaces are slip resistant.

## HANDRAIL FOR STAIRS

The width of the stairs is wide enough and the landings have enough space at the top and bottom. The stair surfaces and nosing are slip resistant. Handrails are provided for staircases.

## SIGN BOARDS

The sign boards are very important component in any institution as for as disabled persons are concerned. The sign boards make the disabled students to feel comfort to move to any place in the campus without any confusion. The institution has placed sign boards and display boards at different places in the campus for the benefit of disabled students.

## PROVISION FOR ASSISTANCE

- x. Human assistance is provided in the campus to help the persons with disability.
- xi. Scribe assistance is available for the Examinations.

## EASILY ACCESSIBLE ENTRANCE

The main entrances and exits of the college for differently abled students are clearly identifiable and are easily accessible. They are wide enough to accommodate wheelchair users. Steps and ramps are having hand railings. Emergency exits are easily identifiable and accessible.
